SUMMARY

Junior full stack developer certified by Digital House, with over 5 years of experience in customer service and operational roles. I build complete web applications from backend to frontend and understand PC hardware. I learn quickly, work well in a team and adapt to any environment. Looking for an opportunity to contribute, grow and keep learning.

TECHNICAL SKILLS

- **Languages:** JavaScript, TypeScript, HTML, CSS, SQL, Java
- **Frontend:** React, Next.js, Astro, Tailwind CSS, Three.js, D3, responsive design
- **Backend:** Node.js, Express, Hono, REST APIs, NextAuth, Prisma, Socket.io
- **Databases:** PostgreSQL, MongoDB, Cloudflare D1
- **Tools and hosting:** Git, GitHub, Vercel, Cloudflare Workers, Workers AI, Playwright, Claude Code, Microsoft Word, Excel and PowerPoint
- **Hardware:** PC assembly, troubleshooting and basic maintenance
- **Languages spoken:** Spanish (native), English (advanced)
- **Soft skills:** customer service, teamwork, adaptability, problem solving, continuous learning

PROJECTS

- **Nimbo** (React, TypeScript, D3, MapLibre, Cloudflare): detailed weather app with hour-by-hour forecasts, air quality, climate normals, model comparison and rain radar. Live demo
- **Telar** (React, TypeScript, React Flow, Workers AI): visual AI agent builder: connect models, documents and tools on a canvas and run them. Design by Julian Sucatti. Live demo
- **Cantera** (React, TypeScript, Hono, Cloudflare D1, Workers AI): esports talent platform with job listings, applications and AI-played recruiters. Design by Julian Sucatti. Live demo
- **Collab Notes** (Next.js, TypeScript, Prisma, PostgreSQL, Cloudflare Workers): collaborative document editor with real-time editing, comments, revision history and public sharing. Live demo
- **Journal App** (Next.js, TypeScript, NextAuth, Prisma, MongoDB): private journal with Markdown entries, tags, search and export. Live demo
- **Personal portfolio** (Astro, TypeScript, Three.js, Playwright, Cloudflare Workers): personal site with a case study for each project. View site

EXPERIENCE

Customer Service · Don Lugones
2023 – Present
- Welcome customers and their cars, coordinate car wash services and follow up on each job until delivery.
- Prepare and sell drinks at the adjoining café, with fast and friendly service.
- Answer questions and resolve requests on the spot, keeping a friendly approach with regular and new customers.

Picker · ChangoMás
2021 – 2022
- Prepared orders in the picking area, quickly and accurately.
- Organized and restocked merchandise and controlled inventory.
- Handled customer inquiries and solved order issues.

Customer Service · Bambino Ice Cream Shop
2019 – 2021
- Provided customer service selling ice cream.
- Operated the cash register and managed stock control.

Production · Maines Bakery and Store
2018 – 2019
- Prepared dough and baked bread, with quality control and packaging.

EDUCATION

Certified Tech Developer · Digital House
